

USC Viterbi
School of Engineering
Celebrating 10² Years

Viterbi Student Council Recognition Application
Prospective Organizations
Fall Semester 2007

Applications may be submitted via email or to RTH 111
by the VSC 2nd General Meeting on September 25th.

What is VSC?

The Viterbi Student Council (VSC) is comprised of the leadership from the Viterbi School's Student Organizations. Presidents and Vice-Presidents represent their respective honor societies, professional organizations and social engineering groups on the council to promote school wide activities, cross-disciplinary communication and student body advocacy.

Criteria for VSC organizations:

- ☐ An organization must be officially recognized by the USC Office of Campus Activities by the fall semester.
- ☐ The organization must serve a purpose towards enhancing undergraduate engineering student life.
- ☐ The organization must not replicate the purpose of VSC or an existing VSC organization.
- ☐ The organization's executive board must consist of at least two undergraduate engineering students.
- ☐ Both continuing organizations and those seeking VSC recognition must submit a roster of membership every semester.
- ☐ The organization must have a minimum of 50% undergraduate engineering student membership and no less than ten undergraduate engineering students as members, including the executive board.

We, _____ request permission to become an official organization of the Viterbi Student Council at USC and have read and agree to the terms stated above.

Organization Information:

Organization Name:
