### PLANNING AND PROGRAMMING COMMITTEE

2007-2008 Application

Name:	
Major:	
Year:	
USC ID:	
Date:	
,	
Phone:	
Email Address:	
Residence:	

Thank you for your interest in the VSC Planning & Programming Committee! PPC is a great way for any engineering student to become involved and be a leader in the Viterbi School of Engineering. The PPC helps the Vice Chair and VSC plan all social and programming activities - whether it is a ball during E-Week or the talent show in the fall - the PPC has large influence in the activities of the engineering school. Thank you for applying!

-Stephen Lizcano VSC Vice Chair

#### ALL APPLICATIONS DUE BY MIDNIGHT SEPT 4th!

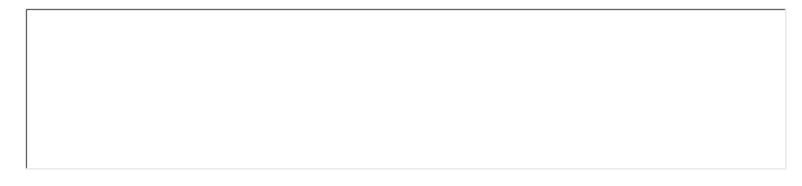

You can turn them into RTH 110 or submit them using the button below

### **Leadership Experience**

olvement do you want to be involved with PPC, and what can you contribute?						
do you want to	be involved with PPC,	and what can you c	contribute?			
ıs a bit about yo	urself. Who are you, a	nd what do you like	?			

# **The Engineering Life**

Some people feel that Engineers don't get to be as social or active as other majors due to the workload involved. Do you believe this to be true, and what should be changed if so?

Thank you for applying, Applicants will be notified by September 5th. Applications can either be sent by clicking the "Submit by Email" button to vsc@usc.edu, or turn in a hard copy at the front desk of RTH 110. Thank you for applying!

Sincerely,

The 2007-2008 Viterbi Student Council Executive Board
